## Journey to *the Well*

Information and updates for the congregation

### FLOORPLANS AND ROOM ASSIGNMENTS

Head to [thewell.hbumc.org](http://thewell.hbumc.org) to learn more about the purpose and mission of *the Well*. You'll also find updated floor plans and photos of the space. We'll update this site regularly going forward and have a copy of the floorplans available in the lobby.

### RESTRICTIONS ON VISITORS TO THE CONSTRUCTION SITE

We've reached the finishing stage of work on *the Well*. Contractors have requested that entry into the area be restricted to workers and other essential personnel. Please, respect the wishes of our construction company and contractors, for your own safety!

### PLANS FOR MOVING IN

We are reasonably confident that move-in will begin the week of September 6th! As always, we request your patience as everything depends on our Certificate of Occupancy. Staff offices, the Weekday Preschool, and stored furniture will take all of that week.

**We need help!** Sign-ups will be live on Monday, August 15 at [hbumc.org](http://hbumc.org). Again, we hope you will respect the construction team and not tour the building during move-in week.

Please remember that there is a possibility that the move-in schedule could be delayed or even moved forward in the coming weeks!

### GETTING READY

On Sunday, **September 11th**, adults will have Well Connected in the Sanctuary, and children, nursery through 5th grade, will meet in their regular Sunday School rooms. The Weekday Preschool starts **September 12th**. We'll be limiting *the Well* to *preschool students and their families only* from 8am - 2pm, but we will open the building to all church members from 2pm - 5pm each day the week of September 12.

On Sunday, **September 18th**, it will be time for Sunday School classes to meet in their new spaces! Set up your rooms and celebrate! September 18 will also be **Reconnection and Promotion Sunday**.

On **Dedication Sunday, October 30**, we'll celebrate *the Well* and dedicate its use to the glory of God and to fulfilling our mission to offer Christ, Community, and Compassion.

### PROGRESS CONTINUES

A few spaces in *the Well* will not be up and running when we move in. The kitchen is not yet furnished; there will be a slight delay in the Labyrinth floor installation in the Chapel; inspiring art installations in the outdoor Columbarium and the preschool entrance will be completed later in September; and tech support in the multipurpose room will be enhanced as funds become available. We appreciate your patience and flexibility as we grow and move into this spacious and beautiful new building!
